Modern comfort meets smart city living in this beautifully maintained end-unit townhome built in 2019. With nearly 1,700 square feet across three levels, this home delivers space, style, and convenience — all within a community that's part of Southeast DC's next wave of development.

Step inside to a sunlit open main level with a seamless flow between living, dining, and kitchen spaces. The chef's kitchen features granite counters, stainless steel appliances, and dark wood cabinetry for a clean, timeless look. Upstairs, you'll find a large primary suite with double closets and a private bath, plus two additional bedrooms for guests, home office, or gym. The fully finished lower level is ideal for movie nights or game day gatherings.

The home includes off-street parking, a rare perk in the city, and low-maintenance brick construction that keeps ownership simple.

Outside your door, Congress Heights is evolving — surrounded by new housing, retail, and cultural anchors like THEARC and Archer Park. Easy access to Joint Base Anacostia-Bolling, St. Elizabeths Campus, and Downtown DC makes this a smart move for
